**Overlapping existing
floor**

Solution for overlapping existing floor

> existing floor/tiles

> GRIGOKOLL PRIMER X

> GRIGOKOLL MAX

> FUGASTYLE CEM 1_8

> existing floor/tiles

> PRIMER X

Ready to use water-based pigmented adhesion promoter. Thanks to the rough structure, it obtains a high adhesion to the support with an easy application.

> MAX

Flexible adhesive, with high performance, workability and yield, for laying of ceramic tiles and mosaics of any type and size, and natural stones, provided they are not sensitive to water. Class C2TE S1

> FUGASTYLE CEM 1_8

Grouting cement, single-component with high performance, for joints from 1 to 8 mm. Class CG2 WA
